READ EPHESIANS 1:22 (MSG)

- Who is this verse about? What is He in charge of?
- Do you see God at work in your school/college?
- Knowing that Jesus is in charge of everything including your school/college, how does this change your perspective of God's plan for your school/college and your role in His plan?

READ MATTHEW 5:14-16

- Schools can at times be dark places where young people can be exposed to bullying how can us being a 'light' in that situation change an outcome?

As young people you are often told that the world can be a dangerous place, that you need to tread carefully to survive. But as Christians we are not called to survive, but to thrive and actually influence and change that around us. Instead of surviving culture we are called to transform culture.
